Sports Parade For 1951-52

BASKETBALL

The basketball season of 1951-52 will stand out as a banner year in the annals of Lincoln high athletics. Highlights of the victorious march of the Abes were the winning of its first City Series championship, annexing its first South Central title, and compiling the best season's record in the Des Moines Metropolitan area.

Cage Notes

Forward—Don Hall . . . Gained second all-city berth. Honorable mention in South Central Conference. Elected Captain of the team.

Forward—Jim Robertson . . . Gained second all-conference recognition, honorable menon all-city team.

Center—Terry Shuck . . . A very fine rebounder and defensive player, received honorable mention on the all-city team.

Guard—Jim Enslow . . . Good rebounding and very fine defensive work describe Jim's cage ability.

Guard—Chuck Formaro . . . Gained first team berths on both the all-city and South Central Conference teams, very fine offensive and defensive player.

SWIMMING

The Lincoln tankers also ended one of the greater seasons in swimming. They had a record of five wins and three losses which tied them for second place in the city. The mermen showed their ability when they placed third in the State meet.

Dan Johnson, one of the best all around swimmers ever to come to Lincoln, set five new records. The records are the 40 yd., 200 yd., 220 yd., 100 yd. free style and the individual medley. He also helped win the 160 yd. free style.

Ken Dunlap

Ken, one of the best sprinters Lincoln has had, placed third in the State Meet. He is a member of the record holding 160 yd. free style relay. Ken has three letters and is one of those all round good guys.

Dave Hanna

Big Dave, another three letterman, who has been swimming since seventh grade, is also one of the big guns on the team. Dave swims both the breast stroke and free style. He took fifth place in the breast stroke finals of the State Meet.

Ken Myers

Another one of the big guns on the team, Ken has spent four years on the team. He is best known for his performance in the defeating of North High. Kenny was a standout in the 40 yd. and 100 yd. free style in that meet. He is a member of the 160 yd. relay that placed in the State Meet.

Larry Smith

Larry is one of those all round guys who always gave all he had. Larry has been on the team four years and has lettered twice. The kid is a quiet, good natured fellow that can be relied on when the going is tough.

Jerry Frost

This witty screwball, who is always in there trying. Jerry always is a team player and is another one who can be relied on. One of those three lettermen. Jerry placed in the State one year and has been on the swimming team four years.

TRACK

Here is another sport that had bad weather and couldn't get started but showed that they had the will to win and the stuff it takes to keep going although the cindermen didn't rank high on statistics they were always up with the best of runners.

Up until the printing of the book, Don Hall was the outstanding member of the track team, scoring our only points in the A.A.U. meet. This is Don's first year out for track and he is rapidly becoming one of the best sprinters in the city.

WRESTLING

This is the first year for wrestling at Lincoln and the matmen showed great possibilities in this sport. Although the Abes took last in the city they gave trouble to everyone they faced.

Coach Koroch feels that the team will be better balanced next year because of the experience gained this year. Jim Deets, although this being his first year, took second in the city in his weight and proved to be a tough contender to his foes. Larry Mc-Kinney, Abe heavy weight was the most successful in his weight division.

BASEBALL

The baseball team had a slow start again this year because of bad weather. With ten lettermen returning, the diamond nine look as though they will have a good season. Good pitching and a stout infield backed the Lincolners for one of their better years on the diamond.

Starters are Jack Hoffa 3b, Tom Michel 1b, Chuck Formaro c, Jim Deets ss, John Scione 2b, Joe Zahn If, Tom Gale cf, Jerry De Leon rf, Jim Robertson p, Terry Shuck p.
